

"Ties for Tyler Township"
story by Stan Pedde - SASS #84691

STAGE 1

At the last stop another shipment of ties for Tyler Township was loaded on the train you're riding. With the train on its way, you decide to go to the rear platform and enjoy the view of the passing countryside. That's when you notice a cloud of dust and the sound of thundering hooves approaching. It's "No Neck" Ned and his band of Bowtie Banditos. You know that if No Neck nabs the ties, there will be none left for the Tyler tots to give to their Dads on Father's Day. Protect the Tyler tie shipment and nullify "No Neck" Ned and his Bowtie Banditos.
