

STAGE 1

BY LAST KISS

As the Bad Girls made their way into Texas, they started to hear tales of a tremendous storm off the coast near Galveston. They heard that many ships had been wrecked along the shore, and that some had sunk in the waters of the Gulf. They even heard that some of the ships were pirate ships. As the wreckage of the ships washed ashore, so too did survivors. Since the Bad Girls were always looking for a challenge, they headed toward the coast for their next adventure. How exciting! There were PIRATES in Texas!

As the Bad Girls rode into Galveston, looking for food, drink and a bath, they made their way to one of the many hotels in town. To their dismay, most of the hotels were damaged and those left standing were full due to the recent storms. As they stood with their horses, a man approached their group. Was he a pirate? He looked like he must be - a sword at his side, a pistol in his belt. As he bowed to Slow Jen, before addressing the group as a whole, he announced, "Allow me to introduce myself, lovely lady. I'm Hurricane Charly, so named because I rode out the recent storms aboard our ship while tied to the mast in the crow's nest so I could help guide us to shore. I can provide you and your group with everything you need." Slow Jen replied, "I'm ready!!"

With pirates lurking off the Texas coast, Sapphire Rose kept her eye on the door as she dealt cards at the poker table. Suddenly the door slammed open as a couple of pirates rushed in brandishing their swords and pistols. First, Hurricane Charly tried to convince Slow Jen to take up with him. Then Yohan, the bearded pirate, decided he would try to take Sapphire Rose and claim her as his personal property. "Enough," Garnet Gal stated to the other Bad Girls. "We are going to give those pirates some of their own medicine. We'll use our feminine wiles on them, which will be to their detriment!" Listening to Garnet Gal make her thoughts known, Slow Jen asked, "That could be dangerous. When did you become such a hard woman?" Garnet Gal replied, "There aren't any hard women, just soft men!"
